

THIS LAND IS YOUR LAND AUSSIE

[D]This land is [G]your land this land is [D]our land
From Ulu[A]ru to Sydney [D]Harbour
From Ghost Gum [G]landscapes to Snowy [D]Waters
[A7]This land was made for you and [D]me.

[D]As I was [G]walking that ribbon of [D]highway
I looked [A7]above me, there in the [D]skyway
I saw be[G]low me, the Golden [D]valley
[A7]This land was made for you and [D]me **(back to chorus)**

[D]I roamed and [G]rambled, followed my [D]footsteps
through sparkling [A7]sands of her diamond [D]deserts
All [G]around me this voice kept [D]saying
[A7]This land was made for you and [D]me **(back to chorus)**

[D]As sun was [G]shining, I was [D]strolling
Through wheat fields [A7]waving dust clouds [D]rolling
I could feel in[G]side me see all [D]around me
[A7]This land was made for you and [D]me. **(back to chorus)**

[D]Burning [G]Highways bush and [D]forest
we pull to[A7]gether in times of [D]crisis
That Aussie [G]spirit is there be[D]side us
[A7]This land was made for you and [D]me

That Aussie [G]spirit is there be[D]side us
[A7]This land was made for you and [D]me **(back to chorus finish x 2)**
