

DIRTY OLD TOWN

I met my [G] love, by the [C] gas works [G] croft
Dreamed a [C] dream, by the old ca-[G]nal
[C] Kissed my [G] girl, by the [C] factory [G] wall
Dirty old [Am] town, dirty old [Em] town

I heard a [G] siren [C] from the [G] docks
Saw a [C] train set the night on [G] fire
I [C] smelled the [G] spring on the [C] Salford [G] wind
Dirty old [Am] town, dirty old [Em] town

Clouds are [G] drifting a[C]cross the [G] moon
Cats are [C] prowling on their [G] beat
[C] Spring's a [G] girl in the [C] street at [G] night
Dirty old [Am] town, dirty old [Em] town

I'm going to [G] make me a [C] good sharp [G] axe
Shining [C] steel tempered in the [G] fire
I'll [C] chop you [G] down like an [C] old dead [G] tree
Dirty old [Am] town, dirty old [Em] town

I met my [G] love, by the [C] gas works [G] croft
Dreamed a [C] dream, by the old ca-[G]nal
[C] Kissed my [G] girl, by the [C] factory [G] wall
Dirty old [Am] town, dirty old [Em] town

I met my [G] love, by the [C] gas works [G] croft
Dreamed a [C] dream, by the old ca-[G]nal
[C] Kissed my [G] girl, by the [C] factory [G] wall
Dirty old [Am] town, dirty old [Em] town

Dirty old [Am] town, dirty old [Em] town
